

Twilight Sparkle Wall Light

WALL LIGHT | LIOR4617CLE-1

MATERIAL

Metal and Acrylic

LIGHT SOURCE

See product label

VOLTAGE

See product label

INSTALLATION

Wall-mounted

SPECIFICATIONS

MATERIAL	Metal and Acrylic
DIMENSIONS	Width: 17 cm
INSTALLATION	Wall-mounted
ENVIRONMENT	Suitable for outdoor use (weather-resistant)

AVAILABLE CONFIGURATIONS

Black; White

INSTALLATION OVERVIEW

- 1 Confirm the wall or electrical box is suitable for the fixture and mounting hardware supplied.
- 2 A qualified licensed electrician should isolate power, connect the fixture, and secure the mounting plate.
- 3 Verify the fixture is level and that shades or diffusers are secure before power is restored.
- 4 For damp or outdoor areas, install only when the product label confirms the required location rating.

SAFETY

Disconnect power before electrical work. Hardwired fixtures must be installed by a qualified licensed electrician in accordance with local electrical codes. Product components and ratings can vary by option; confirm all values on the product label and supplied instructions before installation.

CARE

Switch off and allow the fixture to cool. Dust with a soft, dry cloth. Do not use abrasives, solvents, or excess moisture. Natural stone, glass, ceramic, wood, and hand-finished metal may show normal variation.
