SPECIFICATIONS

INSTALLATION OVERVIEW

- 1 Review the product label and all components supplied with the fixture before installation.
- 2 Hardwired products must be installed by a qualified licensed electrician.
- 3 Use only supplied hardware and the lamp or power source stated on the product label.
- 4 Contact Sollie before installation if any component or rating is unclear.

SAFETY

Disconnect power before electrical work. Hardwired fixtures must be installed by a qualified licensed electrician in accordance with local electrical codes. Product components and ratings can vary by option; confirm all values on the product label and supplied instructions before installation.

CARE

Switch off and allow the fixture to cool. Dust with a soft, dry cloth. Do not use abrasives, solvents, or excess moisture. Natural stone, glass, ceramic, wood, and hand-finished metal may show normal variation.
