INSTALLATION OVERVIEW

- 1 Confirm ceiling structure, junction-box rating, fixture weight, and required lifting support before work begins.
- 2 Assembly and hardwired connection must be completed by a qualified licensed electrician.
- 3 Balance and secure all arms, drops, shades, or decorative elements using the supplied hardware only.
- 4 Use only the lamp type and electrical rating shown on the product label.

SAFETY

Disconnect power before electrical work. Hardwired fixtures must be installed by a qualified licensed electrician in accordance with local electrical codes. Product components and ratings can vary by option; confirm all values on the product label and supplied instructions before installation.

CARE

Switch off and allow the fixture to cool. Dust with a soft, dry cloth. Do not use abrasives, solvents, or excess moisture. Natural stone, glass, ceramic, wood, and hand-finished metal may show normal variation.
