WALL LIGHT | SKU NOT PROVIDED

MATERIAL

Copper, Marble

LIGHT SOURCE

G9 (bulb not included)

VOLTAGE

See product label

INSTALLATION

See product label

SPECIFICATIONS

MATERIAL	Copper, Marble
LIGHT SOURCE	G9 (bulb not included)
ENVIRONMENT	Indoor Use Only

AVAILABLE CONFIGURATIONS

White; Green

INSTALLATION OVERVIEW

- 1 Confirm the wall or electrical box is suitable for the fixture and mounting hardware supplied.
- 2 A qualified licensed electrician should isolate power, connect the fixture, and secure the mounting plate.
- 3 Verify the fixture is level and that shades or diffusers are secure before power is restored.
- 4 For damp or outdoor areas, install only when the product label confirms the required location rating.

SAFETY

Disconnect power before electrical work. Hardwired fixtures must be installed by a qualified licensed electrician in accordance with local electrical codes. Product components and ratings can vary by option; confirm all values on the product label and supplied instructions before installation.

CARE

Switch off and allow the fixture to cool. Dust with a soft, dry cloth. Do not use abrasives, solvents, or excess moisture. Natural stone, glass, ceramic, wood, and hand-finished metal may show normal variation.
